

## **Runnymede Healthcare Centre Long-Term Care Home UPDATE**

---

Runnymede Healthcare Centre is delighted to announce Traugott Building Contractors Inc. as the Construction Management Company that will support us to build the 200 bed Runnymede Long-Term Care Home Facility.

Pre-construction activity is estimated to begin on February 15, 2021, with construction set to commence March 2021; completion is projected for the summer of 2023.

Immediate pre-construction activities include:

- Shoring & excavation preparation required for the foundations and underground parking structure.
- Site removals including pole lighting, gates, curbs, and asphalt
- Temporary fencing & hoarding of the current parking lot
- Surveying for the new building location
- Temporary access preparation

Hours of construction will be Monday – Friday, from 7:00 a.m. – 5:00 p.m., with occasional after-hour and weekend work as needed.
