About Runnymede Healthcare Centre

At Runnymede Healthcare Centre, we have a single, clear purpose: improve the quality of life of every patient, every day. Runnymede Healthcare Centre is an innovative 206-bed complex continuing care and rehabilitation hospital with a proven track record of success in providing the highest level of patient-centred care to those whose treatment needs cannot be met at home or in an acute care facility. Our interprofessional team works together to provide the outstanding care that makes it possible for patients to regain mobility and independence to return home to the community, if possible. Since 1945, Runnymede has worked as an important piece of the healthcare system, providing our patients with the right care in the right place at the right time.
